Tours conventionnels de haute précision
Konventionelle Hochpräzisions-Drehbänke
High Precision conventional Lathes

102N-VM-CF

Tour conventionnel de haute précision
Konventionelle Hochpräzisions-Drehmaschine
High Precision conventional Lathe

302

Tour CNC de haute précision
CNC Hochpräzisions-Drehmaschinen
High Precision CNC lathe

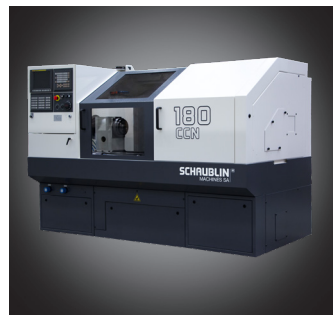

225 TM-CNC

Tour CNC de haute précision
CNC Hochpräzisions-Drehmaschine
High Precision CNC lathe

125-CCN

Tours CNC de haute précision
CNC Hochpräzisions-Drehmaschinen
High Precision CNC lathe

180-CCN

Tours CNC de haute précision
CNC Hochpräzisions-Drehmaschinen
High Precision CNC lathe

202 TG

Machine de production alliant tournage et rectifiage
Produktionsmaschine die Schleifen und drehen verbindet

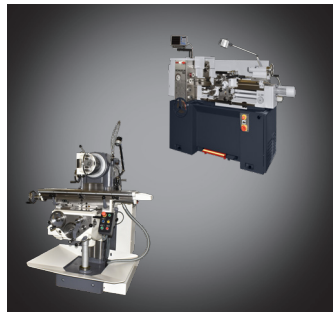

632 - Y

Tours de haute précision et de production
Hochpräzisions-Produktions-Drehcenter
High precision and production turning center

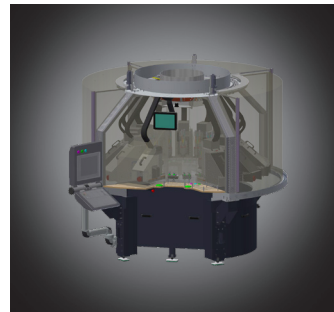

842 / 860

Tours de haute précision et de production
Hochpräzisions-Produktions-Drehcenter
High precision and production turning center
